## **Angel Flight Central partners with VFW to “Return the Favor”**

The VFW Foundation and Angel Flight Central are joining efforts to continue their support of active duty military members, veterans, and their families. Angel Flight Central has always been committed to helping Veterans, active duty service personnel and their immediate families reach long distance medical treatment facilities. Angel Flight has also provided charitable air transportation to recognition ceremonies as well as flying their children to special needs camps.

“The VFW Foundation is focused on supporting military members and their families and Angel Flight Central has done a wonderful job of supporting military families through their flights free of charge.” John Lowe, VFW Foundation Director said. “By supporting veterans and their families, Angel Flight Central is truly returning the favor. This was a natural fit for our two organizations to work together and we look forward to the many possibilities that lay ahead.”

Don Sumple, CEO and Executive Director of Angel Flight stated, “Through our partnership with the VFW Foundation and the “Return the Favor” program we will be able to reach more veterans in the mid-west who are not familiar with Angel Flight Central and the services we provide. This partnership will enable us to provide help to more veterans and active service personnel. It is truly an opportunity for Angel Flight Central to “give hope wings” to our heroes and their immediate families.”

The Return the Favor program is an awareness and fundraising campaign to honor, celebrate and support active duty military members, veterans, and their families. All VFW Foundation programs are non-political, free and require no VFW affiliation for assistance. From financial assistance for families of deployed troops to assisting veterans with benefits claims to providing prepaid phone cards for soldiers overseas, the VFW Foundation is there to provide assistance to those who deserve it most. The VFW Foundation is one of the nation’s highest rated 501(c)(3) non-profit organizations.

Angel Flight Central is a nonprofit 501(c)(3) that serves people in need by arranging charitable flights with the help of volunteer pilots for access to health care and for other humanitarian purposes.
